and Development Studies, Birkbeck  
University of London*

## Calling all students interested in child and youth studies!

There will be a variety of programming that will specifically be of interest to students and up and coming scholars. Reduced registration fees will be offered for UofL students.

Student conference events include a mentoring breakfast with conference keynote speakers, and a poster presentation where a **Young Investigator's Prize** will be awarded.

For registration, a list of presentations and additional information, please visit our website at: <https://www.uleth.ca/conreg/icys/registration>
